

## FLUID SOYBEAN LECITHIN (GMO)

### 1. DESCRIPTION

It is a complex mixture of acetone-insolubles phosphatides composed mainly of phosphatidil choline, phosphatidil ethanolamine and phosphatidil inositol combined with other substances such as triglycerides, fatty acids and carbohydrates

### 2. PRODUCTS SPECIFICATIONS

- ✓ Appearance: amber colored fluid.
- ✓ Color: 12 máx. Gardner test.
- ✓ Moisture: ..... 1% (máx)
- ✓ Acetone-insolubles (AI): ..... 62% (min.)
- ✓ Peroxide Value: ..... 5 meq/kg (máx.)
- ✓ Acid value: ..... 30mg KOH/g. (máx.)
- ✓ Hexane-insolubles: ..... 0,30 % (máx.)
- ✓ Viscosity (máx) ..... 120 poises/ 25°C

### 3. MICROBIOLOGICAL DATA

- ✓ Aerobic bacteria total recount: 1000 UFC/gr Max.
- ✓ Coliforms detection: <10 UFC /gr.
- ✓ Salmonellae: negative in 25 grs
- ✓ Yeast and Moulds recount: 100 UFC/ gr. Max.

### 4. PRESENTATION

|                                   |   |
|-----------------------------------|---|
| <b>BULK TRUCK</b>                 |  |
| <b>STEEL/PLASTIC HEALTH DRUMS</b> |   |
| <b>BULK CONTAINER DE 1000 KG.</b> |  |
| <b>FLEXITANKS</b>                 |  |
| <b>ISOTANKS</b>                   |  |

5. **STORAGE CONDITIONS:** At room temperature, store indoors and dry. Protected from environmental pollution without removing the caps and without sun exposure.  
At temperatures below 15 ° C tends to increase its viscosity.

6. **ALLERGEN AND ADITIVE STATEMENT**

100% Soy product.

100% Natural product, manufacturing without synthetic additives. May contain added vegetable fatty acids.

7. **SHELF LIFE:** 18 months in closed package, maintaining storage conditions.

8. **APPLICATIONS:** In all industries where the emulsion plays an important role such as:

- ✓ Food: Bread, Cheese, jams, noodles and pasta manufacturing, fats and oils, dressings, instant products, chocolates, margarines, balanced feed.
- ✓ No food: adhesives, absorbents, cosmetics, pharmaceutical, dyes, inks, fertilizers, hides, leathers, coatings and paints, pesticides, textile, etc.

9. **ANNEXES:** Safety data sheet is attached.
